OBJETIVO:

Desenvolver a consciência silábica, promovendo a capacidade de identificar sílabas em comum entre duas palavras, bem como a atenção auditiva, discriminação fonológica e raciocínio linguístico.

MATERIAL NECESSÁRIO:

- Tabuleiros
- 30 Cartões com as sílabas em falta
- Canetas para preenchimento manual (Opcional)

INSTRUÇÕES DO JOGO:

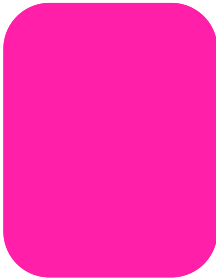

- Em cada tabuleiro são apresentadas 6 duplas de palavras.
- A criança observa (ou ouve) cada par de palavras.
- Deve identificar a sílaba que está presente em ambas as palavras, independentemente da sua posição.
- De seguida, a criança seleciona ou coloca o cartão com a sílaba correta no espaço correspondente do tabuleiro.
- O jogo continua até todas as duplas de palavras estarem associadas à sílaba em comum.
