

Our Wonderful World of Pets! 🐾

Get ready to explore some amazing animals — from fluffy rabbits to colourful parrots. Let's find out which pets we know and love!

Do You Have a Pet? 🙋

Raise your hand if you have a pet at home!

🐶 Got a dog?

Does it have a name? What does it look like?

🐱 Got a cat?

Is it fluffy or short-haired? Does it purr?

🐟 Something else?

A fish, a bird, or maybe something wild?

Meet Some Amazing Pets! 🌟

There are so many brilliant animals that people keep as pets. Do you recognise any of these? Can you name them all?

PET SPOTLIGHT

The Speedy Rabbit 🐰

Rabbits have **long, floppy ears** and love to hop around at top speed! They are gentle, friendly animals that make wonderful pets.

🥕 Favourite Foods

Carrots, leafy greens, hay, and fresh herbs.

👂 Fun Fact

A rabbit's ears can turn 270 degrees to listen for sounds!

PET SPOTLIGHT

The Playful Dog 🐶

Dogs are known as "**man's best friend**" — and it's easy to see why! They are loyal, loving, and full of energy. They come in hundreds of shapes and sizes.

🎾 Favourite Activity

Playing fetch, going for walks, and learning new tricks.

🐾 Fun Fact

Dogs can understand over 150 words and recognise their owner's face!

PET SPOTLIGHT

The Graceful Cat 🐱

Cats are **independent and elegant**. They love curling up in warm, sunny spots for a nap and are famous for their soothing purrs and silky-soft fur.

😴 Favourite Activity

Napping, grooming, and chasing balls of string.

🐱 Fun Fact

Cats spend up to 16 hours a day sleeping!

PET SPOTLIGHT

The Colourful Parrot

Parrots are **brilliant and chatty** birds with dazzling feathers. They are one of the few animals that can learn to mimic human speech — they might even learn your name!

Special Skill

Can copy sounds, words, and even whole sentences.

Fun Fact

Some parrots can live for over 80 years — longer than most humans!

PET SPOTLIGHT

The Tiny Hamster 🐹

Hamsters are **small, fluffy, and full of energy!** They are nocturnal, which means they are most active at night. They love exploring and running on their wheels.

🍎 Favourite Foods

Seeds, grains, fruit, and vegetables.

🐹 Fun Fact

Hamsters have stretchy cheek pouches they use to carry food — like little backpacks!

Other Amazing Pets! 🌿

Not all pets are fluffy! Some people love keeping wild and wonderful creatures at home.

Fish 🐟

Fish swim gracefully in tanks and come in thousands of dazzling colours.

Frog 🐸

Frogs hop around and love damp environments. Some can even change colour!

Snake & Lizard 🦎

These reptiles slither and crawl — they are calm, fascinating pets for brave owners!

Spider 🕷️

Spiders spin incredible webs and are incredibly patient, quiet pets.

What's Your Favourite Pet?

Now it's **your turn** to share! Think carefully and get ready to tell the class.
