

Let's Go Shopping!

An Adventure in the World of Stores

CONCEPT

What Is a Store?

A store is a special place where we can buy things we need or want — from toys and books to food and clothes!

- Think of a store as a magical place that keeps everything you need, ready to take home.

Why Do We Need Stores?

Everything in One Place

Stores bring everything we need together in one place, saving time and effort.

Products from Around the World

They bring products from different countries and regions right close to us.

TYPES OF STORES

A World of Options! ✨

Supermarket

Fruits, bread, milk, and much more.

PAYMENTS

How Do We Pay in Shops?

There are several ways to pay in shops. The most used today are **cash** and **card**. Cheque was very popular before, but it is hardly used anymore!

Let's Practice! 🧠

1

Scenario 1

You want to buy a new book.
Where do you go?

2

Scenario 2

You need apples and milk.
Which store do you choose?

3

Scenario 3

You want a birthday present for a friend. **Which store would you visit?**

ACTIVITY

What's in the Store?

Time for the interactive activity! I'm going to show images of different stores and you tell me:

1 What type of store is it?

2 What can we buy there?

Thank You and Happy Shopping! 🎉

Shops Are Essential

They are part of our daily lives and help us get everything we need.

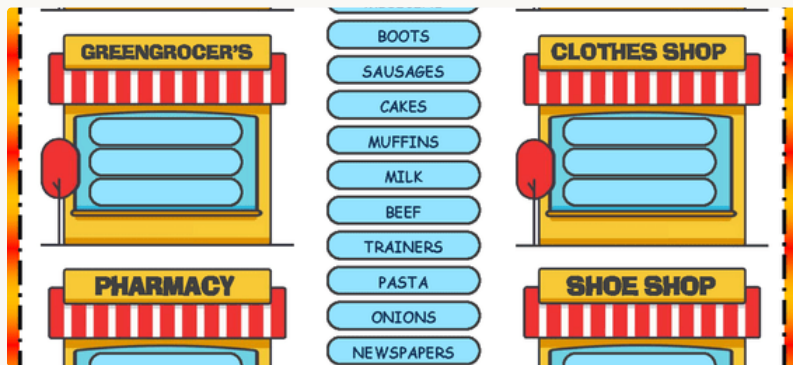

Keep Exploring!

Look at the shops around you — there is always something new to discover and learn!
